

Skyward: Skylert Notification Settings

Skykert is the integration of Skyward and School Messenger notifications. Parents can easily adjust their Skylert notifications settings with the Skyward Family Access Portal.

1. Log into [Skyward Family Access](#).
2. Locate Skylert on the menu on the left and make adjustments as desired.

Note the following:

You must click Save at the top right when finished.

It is highly recommended that you do not disable all alerts for the School Hours Emergency.

To receive SMS, you must enter your mobile number in the Text Message Numbers box at the bottom, even if it appears in another area, as SMS is separate from voice calls.

Changing phones and email address in the first four lines will modify contact info in Skyward.
